City Tours

Our **City Tour** shows off the cultural highlights of Amsterdam, riding through the museum district, Dam Square, the De Wallen, with a stop for lunch in Amsterdam's most popular park, the Vondelpark.

Canal Tours

Our **Canal Tour** takes us through the UNESCO World Heritage-listed canal ring to admire the historic merchant houses and picturesque bridges.

Cheese Tours

We will show you the absolutely best places to get a variety of cheeses on this tour. Bring your appetite, each stop has free cheese tasting and wine to purchase.

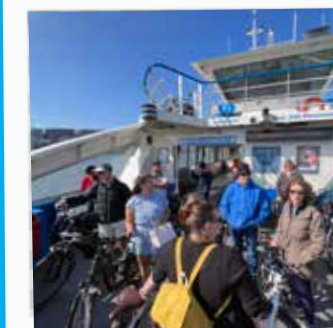

Family Tours

Our Country Tours vary by season. April is usually the best time for tulips, but there is lots to see in Dutch country.

We have bikes for all family sizes. We have several stops on this tour that will delight all ages, including the Artis Zoo, Madame Tassauds, and the Amsterdam Dungeon.

Country Tours

Day Tours

Our **Adults Only Pub Tour** takes us on a two-wheeled pub crawl through the Leidseplein district buzzing with locals and tourists alike.

We start our ride in the city center, crossing the Amstel river by ferry. We enter the scenic Dutch countryside on well-maintained bike paths that led us to Zaanse Schans, home to a collection of well-preserved historic windmills.
